### 3. COURSE DATES

COURSE TITLE	BEGINS	ENDS
Power Pilot Scholarship	10 Jul	25 Aug

4. **GRADUATION PARADE**

COURSE TITLE	PARADE DATE	TIME	LOCATION
Power Pilot Scholarship	25 Aug	1300 hrs	Flight Training Centres -

5. **DRIVING DIRECTIONS – FLIGHT TRAINING CENTRES**

Please consult the attached appendixes

6. **WHAT TO BRING**

The Regional Joining Instructions Appendix A-1H details kit requirements for Power Pilot Scholarship candidates. While discouraged at other Cadet Training Centres, civilian smart casual attire is permitted for off-duty wear. Those cadets in possession of CAF pattern flight clothing (blue) are encouraged to bring it with them. Note that uniform tunics are not required. Please ensure the uniform fits well and that candidates bring their rank slip-ons to summer training.

Candidates must bring the Transport Canada Licence Application Fee and Examination Fee cheques specified in Appendix A-1H. They must also bring the originals of all of their Canadian Aviation documents (i.e. TC Medical Certification, Glider Pilot Licence (if held), Radio Licence, etc.) and a pocket calculator.

All candidates must bring a passport photo as per [Passport Canada](#) specifications to comply with Transport Canada licencing requirements. **THE PHOTO MUST NOT BE SIGNED ON THE BACK.**

7. **MEDICAL**

Certain medical conditions and/or medications are incompatible with flying duties. Parents must therefore be totally candid in providing complete disclosure of all of the cadet's medical conditions on their initial membership Basic or Detailed Health Questionnaire (DND 2571 or DND 2570) for review by the Central Region Medical Advisor, and to immediately advise of any medical changes in that may occur following submission of the training application. Undisclosed medical circumstances could result in the cadet being RTU since minimum medical standards must be maintained as a condition of holding a Transport Canada aircrew licence.

Any and all medications ingested must be approved by a Canadian Forces Flight Surgeon (where available) or a Transport Canada approved Canadian Aviation Medical Examiner. Similarly, ingesting unapproved or undocumented medication may result in RTU action.

## 8. CONDUCT AND DISCIPLINE

Although remote from the physical environment of a Cadet Training Centre, Central Region's six Power Pilot Scholarship sites are functionally similar, particularly in terms of cadet deportment. The regional Return to Unit (RTU) policy described in paragraph 54 of the Regional Joining Instructions is in force. Additional potential causes for Cease Training/RTU action include:

- a. Lack of aptitude, motivation and/or application;
- b. Repeated airsickness;
- c. Failure to achieve an overall passing grade on the Transport Canada examination at initial writing;
- d. In the event of a partial failure, failure to achieve a passing grade on the previously failed section at subsequent writing;
- e. Failure to perform a solo flight after 14 hours of dual flying instruction, excepting that the Region Cadet Air Operations Officer may authorize an additional two hours of instruction upon due consultation with the flight training centre's Chief Flying Instructor;
- f. As per the ATAC Agreement, cadets can be RTU'd for failing the TC flight test; and/or
- g. Wilful, gross violations of air regulations and tenets of Flight Safety.

## 9. LEAVE RESTRICTIONS

Passes will not usually be issued to any cadet until after successful completion of Transport Canada exams during Week Four of the course, and then only in accordance with established policies detailed at paragraphs 47-49 of the Regional Joining Instructions. Parents are encouraged to limit their visits to Sundays only, or such other days as may be so designated by each Flight Centre Commander.

## 10. CIVILIAN CLOTHING

Civilian smart casual or casual attire for off-duty wear is permitted. The following items are deemed acceptable:

- ./ Shirts with collars (golf shirt style)
- ./ T-shirts with sleeves, provided that they are plain, solid colour or with a ship's/company/corps/squadron crest or logo or discrete manufacturers' emblems or slogans within generally-accepted standards of morality and good taste. Apparel with offensive or otherwise inappropriate slogans is not permitted.
- ./ Jeans – Only jeans in good repair, preferably blue or black denim. Torn, frayed, embellished (written-upon, painted, spangled, etc.) or low-rider garments are not permitted.
- ./ Khaki or cotton shorts
- ./ Khaki or cotton slacks
- ./ Sport shorts for sporting or waterfront activities, or as directed by CTC CO

The following items are not acceptable:

- x Tank tops;
- x Tube tops;
- x Halter tops;
- x Cut-off shorts;
- x Flip-flops – only to be worn while in barracks, shower, etc.;
- x Torn or worn clothing;
- x Short tops showing midriff;
- x Stretchy, tight fitting pants;

- x Inappropriately adorned T-shirts
